

# Miami Carol City Senior High Partners with

## GRAND OPENING!

On January 7, 2015, The Miami Carol City Senior High marching band participated in the grand opening celebration of the Walmart Neighborhood Market in the City of Miami Gardens. Featured during the Grand Opening was a battle of the bands between Miami Carol City Senior High and Miami Norland Senior High. Both schools presented amazing performances. We are especially proud of Miami Carol City Senior High marching band. Miami Carol City Senior High is on the move in the community.

As one of the community partner of Miami Carol City Senior High, Walmart Neighborhood Market donated two thousand dollars to the school to support our efforts in building success with our students. This event was attended by community leaders, supporter, and residents. During the event we heard from the store manager; Jamie Bryant who is excited about being the manager of the store in the community that she grew up in. This was a beautiful event and well attended. We want to welcome Walmart Neighborhood Market to our community, and encourage everyone to go out and shop!
